1 ЛЕНЬ

A whimsical illustration of two wizards and a young boy in a magical setting. On the left, a wizard with a long white beard and a tall, dark, pointed hat stands in a dark purple robe, holding a staff topped with a glowing orb. In the center, a young boy with brown hair, wearing a green jacket and a yellow scarf, is crouching with a surprised expression, his hands outstretched. On the right, another wizard, also with a long white beard and a tall, dark, pointed hat, is dressed in a purple robe and is casting a bright, glowing golden spell that forms a curved arc around the boy. The background features a misty, blue-toned landscape with several dark, pointed-roof buildings and a street lamp on the left. The entire scene is framed by a soft, glowing white border.

An illustration of a math game. In the center is a large wooden hourglass with yellow sand falling. To its left, a boy in a green jacket and a girl in a blue dress are placing numbered cards (7, 12, 2) on the ground. To the right, an elderly man with a white beard and glasses, wearing a brown coat, and an elderly woman with grey hair and glasses, wearing a blue shawl, are watching. A black cat is sitting on the left. The background features a large clock tower and a cityscape with domes and minarets under a blue sky.
